13th November 2015

Dear Parent / Carer

I am writing to inform you that unfortunately there was an incident today involving a member of the public from the Conquest Hospital. He approached small groups of our students and was behaving in an inappropriate manner towards them. The students made their way into school and Sussex Police were called. They responded immediately, apprehended the person in question and removed him from the area.

I would like to reassure you that this is an incredibly isolated incident which was dealt with extremely promptly by the school and Sussex Police.

Whilst no-one was physically harmed, this incident will have been upsetting for the students, both those directly involved and those who hear about it in school. Should your daughter feel the need to talk to anyone, then she should go to her Form Tutor or Mrs Downey, the KS3 Pastoral Support Worker in the first instance.

Yours faithfully

Mrs L Monk
Principal
