Dear Parent/Carer

Re: Science Easter Revision Session

As we begin the final preparations for this summer's GCSE exams I would like to congratulate your daughter on her hard work and determination to date. She is working to improve her GCSE grades to ensure that she achieves the highest possible success this summer.

To that end we are running Easter Revision School sessions on Thursday, 7th April 2015 at the upper school from 10.00am to 3.00pm.

Students will be required to sign in and out of the school site. Students may come in non-school uniform and should bring drinks and snacks with them. There will be no canteen in operation throughout the week. Please make suitable travel arrangements for your daughter to attend revision.

We look forward to working with your daughter in the Easter Revision School.

Yours faithfully,

Mr Hunter
