2nd March 2016

Dear Parent/ Carer

Re: GCSE English Language preparation

To ensure that your daughter gets all the necessary support to be successful in the forthcoming GCSE English Language exam, I would like to invite her to attend a C/D borderline conference on Saturday 12th March 2016 from 10am to 1pm at the Upper School site.

The aim of this session is to have a small group of students working on the key skills required in the English exam. These sessions will be led by experienced teachers of the faculty and will give students an opportunity to have 1-2-1 discussions and practise the skills taught.

They will be provided with refreshments and a resource pack to take away. We do anticipate your support on this occasion, as I'm sure your daughter will benefit from the sessions.

Please sign and return the consent form below by Wednesday 9th March 2016.

Many thanks

Yours faithfully

Ms M. Hinds
Head of Faculty: English & Communications
