Dear Parent/Carer

**Re: Drama GCSE Practical Examination**

The Drama practical exam is taking place on Thursday 30<sup>th</sup> and Friday 31<sup>st</sup> March. There will be final dress rehearsals for students on Monday 27<sup>th</sup> or Tuesday 28<sup>th</sup> March. The students will be off timetable on these dates.

In order to be prepared for this important exam it is vital that the students rehearse in their groups to learn lines and ensure their play reaches performance standard.

The expectation is that all students should be rehearsing now at lunchtimes and after school. The Drama studio will be open for rehearsals till 5.30pm every evening. We are also opening for rehearsals on Sundays.

I would be grateful if you could encourage your daughter to attend rehearsals and support at home through line learning and practice.

Many thanks for your continued support.

Yours faithfully
