Dear Parent/Carer

Re: GCSE PE

I am writing to inform you that we are putting in place some temporary staff changes in order to ensure we are offering the best opportunities for our students.

This will mean your daughter will have a different teacher for PE lessons. However, we want to assure you that this will not affect the quality of teaching and learning that takes place in the lessons. Miss Gardiner will continue to support the planning of lessons which will be delivered by experts to ensure the very best provision for your daughter.

Please do contact me if you require further information.

Yours faithfully

Niall Whitehead
Head of PE and Performing Arts
