Dear Parent/Carer

Re: GCSE Maths Easter Revision

I am delighted to inform you that your daughter has been selected for focused GCSE Maths revision session during the Easter break. She will be working in groups of up to 30 students and there will be three Maths teaching staff to support your daughter throughout the session. We will be working on topics that historically the students have struggled with and this is based on analysis of the previous exam.

The session will take place on:

- **Wednesday, 6th April from 11.15am-1.15pm**

Students will be required to sign in and out of the school site. They may come in non-school uniform and should bring a drink with them. There will be no canteen in operation throughout the week. Please make suitable travel arrangements for your daughter to attend the session.

Please confirm that your daughter can attend the session by completing and returning the slip below. If you have any questions please feel free to contact me either by calling the school or emailing kmurphy@helenswoodacademy.org.

Yours faithfully

Mr K Murphy
Head of Maths
