1st March 2016

Dear Parent/Carer,

Re: GCSE Maths Revision

I am delighted to inform you that your daughter has been selected for focused GCSE Maths revision sessions. She will be working in small groups which will have no more than seven students and she will be supported by a member of the Maths faculty. We will be working on topics that historically the students have struggled with and this is based on analysis of the previous exam.

The sessions will take place on:

- **Thursday afternoons from 3:30pm to 4:30pm at the Upper School**
- **The first session will take place on Thursday 3rd March.**

It is essential that your daughter attends these sessions as it has been proven over the last few years that with regular attendance the sessions can improve confidence, provide support on areas of difficulty and prepare the students for exam style questions. We are confident that with this additional support and continued independent study your daughter will achieve the best grade possible.

Please confirm that your daughter can attend the sessions on Thursday afternoons by completing and returning the slip below. If you have any questions please feel free to contact me either by calling the school or emailing kmurphy@helenswoodacademy.org.

Yours faithfully

Mr K Murphy
Head of Maths

Mrs L Monk
Principal
