August 2016

Dear Parent/Carer,

RE: Year 10 & 11 Welcome and Curriculum Evening

You are cordially invited to a Year 10 and 11 Welcome and Curriculum Evening on **Thursday, 15th September 2016, at the Upper School**. The evening will start with a presentation in the hall. The **Year 11 presentation will commence at 6pm**. The **Year 10 presentation will commence at 7pm**. Please attend the correct presentation as there will be different information given for each year group. The evening will finish at approximately 8.30pm.

As you are fully aware, Year 10 and 11 are very important years in your daughter's school career. Subsequently, we feel there is a need to share with you our aims and preferred outcomes for the key stage.

The purpose of the evening is to give you and your daughter a full understanding of the key expectations, events and challenges that lie ahead in Year 10 and 11. Heads of Faculty for English, Maths and Science will join us at the evening to outline a variety of strategies to support your daughter in her learning.

There will be an opportunity to find out more about controlled assessments and the programme we will be running at the upper school for your daughter, as well as to discuss home learning using ICT, and advice on progression to Ark 6th Form.

The information that will be shared on this evening is very important to your daughter's success at Key Stage 4. We really hope that you are able to attend and look forward to seeing you there.

If you have any questions about the evening please contact Ms Atkin, Head of Year 10, or Mrs Walker, Head of Year 11, at the Upper School who will continue to oversee the welfare and progress of your daughter throughout Key Stage 4.

Yours faithfully

Mr C Connor
Vice Principal: Data & Standards

PRINCIPAL: Tracy Dohel
