June 2016

Dear Parent/Carer

Re: Year 10 GCSE Mock Examinations: June 2016

Year 10 will be taking part in mock examinations commencing Monday 20th June – Wednesday 29th June. During this time, your daughter will be expected to attend the academy as usual every day all day.

I have included the mock examination timetable with this letter for your reference and to support your daughter's revision. These examinations are vital for us to see what further interventions may be required to make sure your daughter achieves the best possible results she can. Please do encourage her to participate in revision to prepare for these examinations.

The expectation is that your daughter attends with all the correct equipment ready for the examination and when they have an examination in the hall they will need to register and line up in silence in the school canteen. These exams are monitored by external invigilators and all exam requirements as per external examinations will apply throughout.

When your daughter is not in an examination, she will follow her usual timetable so that she does not miss any vital learning time. There will be examinations for all subjects, some will take place in the hall or gym and some will be taking place in their usual classrooms for subjects not listed on the timetable.

Please ensure that your daughter has the correct equipment for the examination. It is *essential* that they have the following:

- **Two or three black working ballpoint pens or biros (not gel)**
- **One pencil**
- **One eraser**
- **One calculator**
- **One ruler**
- **One protractor**
- **One pair of compasses**
- **Pack of tissues**
- **Clear plastic bag or case in which to carry all of the above**

PRINCIPAL: Lucy Monk

Mobile phones and personal music players **must not** be brought into examinations.
They should be left at home or in lockers.
