21<sup>st</sup> April 2017

Dear Parent / Carer,

**Re: Year 11 Prom**

I am writing to confirm the arrangements for the annual Year 11 Prom. This is a wonderful celebration of 5 years at Helenswood where students enjoy getting together with their peers from Ark William Parker before they start their 6th form career. The Year 11 Prom is strictly for those students who attend either Ark Helenswood Academy or Ark William Parker Academy, and students are not permitted to invite guests from other schools.

As in previous years we will be expecting all students to achieve a minimum of 10 revision stamps on their Revision Card. These are gained when attending revision sessions before school, after school, at lunchtimes or during the holidays. All students will need to produce this completed card in order to purchase their Prom Ticket.

Students who have not met the academy expectations for attendance and behaviour between Monday 24th April and Friday 26th May will not be invited to the prom. This includes any student in receipt of an exclusion from the academy, either internal or external, or who accumulates in excess of 10 Behaviour points or has less than 95% attendance.

Your daughter will receive an invitation confirming the details should she meet these expectations.

I hope that you will support us in reiterating these expectations to your daughter and I look forward to inviting her to the Ark Helenswood Academy Prom 2017.

Yours faithfully

Mrs Walker  
Head of Year 11

**PRINCIPAL: Tracy Dohel**
