Dear Parent/Carer

KS4 Options Process for September 2017

On Wednesday, 8th February 2017 we will be holding our Options Evening for you and your daughter to start the process of making her choice of courses for next year. The evening will be held at the Upper School site and will start at 6.00 pm. The Upper School will be open to students and their parents/carers from 5.45 pm. This will be your first opportunity to accompany your daughter to this site, and we look forward to welcoming you to the Upper School.

Your daughter will be issued with an Options Booklet and form on the evening. We ask you to discuss her options with subject teachers during the evening. Please also read through the course outlines in the booklet.

Following the Options Evening your daughter will be invited to an advice and guidance interview, where the choices available will be discussed. Your attendance at that meeting would also be appreciated. In addition, tutor time and assemblies are all planned to ensure that your daughter has as much information as possible to support her in making informed decisions about her future.

During Options Evening you will have an opportunity to meet the staff that teach each course and discuss any questions that you may have. In addition, members of the academy Senior Leadership Team and Mrs Fautley (Head of Year 9) will be available to discuss aspects of the options process for this year.

The deadline for returning Options Forms to the Lower School office will be: **3.20pm on Friday 17th March 2016**. This will ensure that we can begin the process of constructing classes to meet the wishes of our students. Please note that it is not always possible to give first choices due to class size constraints and timetable construction. Subject allocations will be made following discussion with you, your daughter, heads of subject areas and with consideration of your daughter's academic progress and attitude to learning to date.
