23rd February 2016

Dear Parent / Carer

RE: Key Stage 4 Science Intervention

As part of the on-going intervention to ensure that your daughter attains the best possible grade for Key Stage 4 Science, my staff and I have arranged after school sessions. These are to address any gaps in her knowledge and/or add further work that will gain her a higher level in science.

As such, it is vital that your daughter attends all identified sessions for her so that this work can be completed. The sessions will commence from **Tuesday 23rd February** and will occur **every week, between 3.45 pm and 4.45 pm in the canteen**. Please arrange for your daughter's journey home at this time.

Staff will be supporting students with their learning through guidance of how to complete good quality answer in exams and support with exam techniques. At all times, should students need to ask questions or check their understanding there will be help available.

Each week the session will focus on different areas of core which have been highlighted as an area of weakness in student learning from exams. The sessions will focus on:

- Tuesday 23/02/16: Waves and the earth (P1)
- Tuesday 01/03/16: Generating and transmitting electricity (P1)
- Tuesday 08/03/16: Waves and the universe (P1)
- Tuesday 15/03/16: Genetic (B2)
- Tuesday 22/03/16: Plants (B2)

To make this session more effective, your daughter needs to come prepared and revise for each session so she can make greater use of their time and work on improving the knowledge in each topic.

I welcome your support with this and look forward to a successful outcome for your daughter. Please complete and return the slip below to confirm your daughter's attendance.

Yours faithfully,

C Applegate
Assistant Head of Science

PRINCIPAL: Lucy Monk
REGIONAL DIRECTOR: Mark Phillips

Please return to the School Office by Tuesday, 1st March 2016

FAO: Mr Applegate

Key Stage 4 Science Intervention

I agree to my daughter Of Form attending the above mentioned after-school group. I have made suitable travel arrangements for her journey home at 4.45pm on session days
